### Website

Please visit our new website which is now live. Recently, with the introduction of SeeSaw, we have found it difficult to keep both updated. SeeSaw is such a useful tool for keeping our parents up to date on school and learning but our website reaches the wider community.

Please also download the Schools NI app for instant access to our website.

Thank you everyone for your understanding and cooperation in our revised safeguarding measures. A revised safeguarding policy will follow in the coming weeks.

Christmas preparation is well underway in school. Our P1 – 3 children are preparing for their concert which is held on two dates. A DVD recording of these performances will be available.

Choir and instrumental children as well as P7 are preparing for our annual carol service.

### Shared Education

Room 4 have enjoyed Shared Education lessons with our partner school New Row Primary for the past few weeks. The focus is problem solving using ICT.

### Anti-Bullying Week

We had a great week in school promoting our BLUE theme – Be Loving Unto Everyone. Lots of activities took place in class, throughout the school and at home to promote the importance of being a good friend and our school's stance of ZERO TOLERANCE towards bullies.

Please visit our website for photos.

A new set of After School Clubs will be on offer after Christmas. Details will go out about this shortly.
